Dining Elevated
UPLIFTS™ Collection
1.01.2020 -
12.31.2020

Due to COVID-19, It's Never Been More Critical To ELEVATE UTENSILS off of Table Surfaces

Diners have never felt comfortable with utensils touching tabletops ... now they're afraid of it.
Dining Elevated UPLIFTS instantly mitigate risk*, improve tabletop aesthetics,
and enhance customer experience.

Patented. Safe. Clean. Sophisticated. NECESSARY.

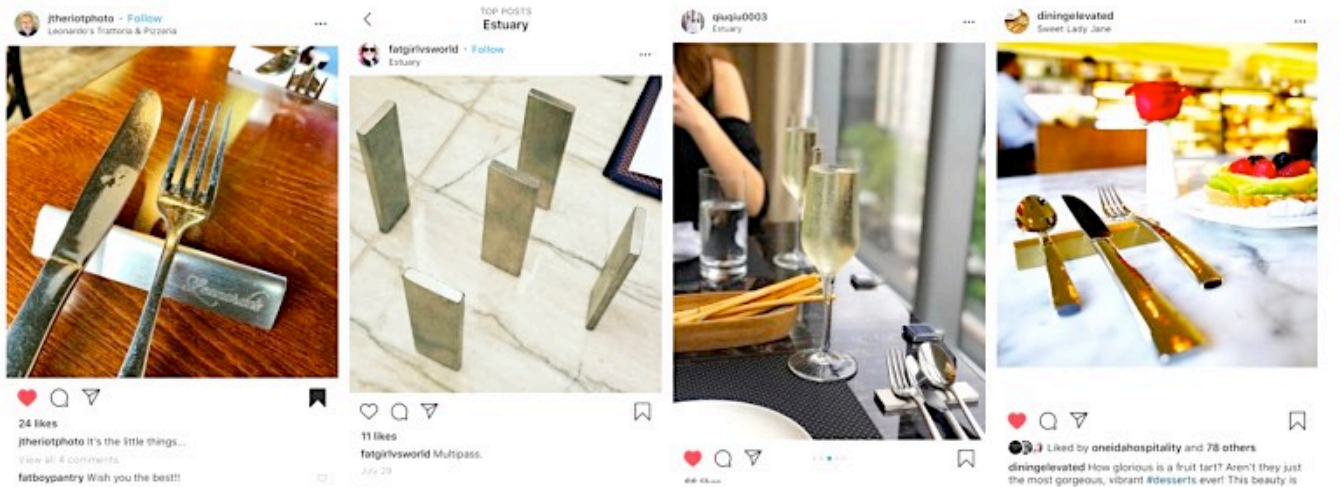

Currently Used at Waldorf Astoria, Conrad, Hard Rock & W Hotels
As Well As Independent Restaurants Across the US
Designed for All Dining Environments

- * Supported by the National Environmental Health Association, Association of Food and Drug Officials, and Food Allergy Research and Education
- * UPLIFT Food Safety Research Published in the Journal of Environmental Health in Nov. 2019 & backed by the USDA, NIFA, and the Hatch Act
- * U.S. Utility Patent Number 10,555,630 B2

Diners Need to Feel Protected Today
