

Make a permanent impression with custom porcelain decorating!

customize it!

Porcelain Decorating

customizable porcelain

Superwhite & Eurowhite Glazes: Most items are suitable for decorating; no limit on number of colors; some vibrancies cannot be achieved due to the firing process

Colored & Reactive Glazes: Most items are suitable for black or white decals

decorating specs

MOQ: 48 pieces per SKU for non-metallic; 144 pieces per SKU for metallic gold

Lead Time: Quick Turnaround from payment & approval of fired sample; orders larger than 288 pieces may require additional lead time (shipping time not included)

Pricing: Each project will be quoted individually; pricing is based on size, placement, & complexity of design

Quote: Will be provided within 2 business days from submission of artwork

Set-up Cost: A one-time setup cost of \$75 will apply to all new orders; multiple SKUs or designs may require a higher set-up cost

Sample: 1 fired sample is included in the setup cost; additional samples are billed at \$25 each

Final Approval: Customer must approve a fired sample before production can begin; a sample waiver may be signed to skip this step in the process (not recommended)

artwork specs

File Requirements: Logo or artwork must be provided in EPS/Vector format; size & placement details must be included with the request

Mock-up Lead Time: 2 business days

Mock-up Revisions: 2 revisions free of charge; additional design work billed at \$100 per hour

Mock-up Approvals: Digital mock-up must be approved before sample production can begin
